

**Title I School-Level  
Parent and Family Engagement  
Policy Deanna Davenport  
Elementary  
2022 - 2023**

*Deanna Davenport Elementary* has developed a written Title I parental involvement policy with input from Title I parents. The campus held a Parent and Family Engagement Policy Compact Committee meeting to edit and revise the Deanna Davenport Parent and Family Engagement Policy. The committee consisted of the Parent Liaison, Instructional Coordinator, and Teachers. Once the Deanna Davenport Parent and Family Engagement Policy is approved, it will be distributed to all the parents during PAC meetings, and Parent Teacher Conferences. In addition, the policy will be uploaded to the campus webpage. This policy describes the means for carrying out the following Title I parental involvement requirements.

**Involvement of Parents in the Title I Program**

To involve parents in the Title I Program at Deanna Davenport, the following practices have been established:

The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the rights of parents to be involved in the Title I program.

- Parents are informed about the Title I program and entitlements through meetings held in person and or via zoom when available, to ensure maximum Notice of meetings will be sent home with students as well as a phone master call and marquee, to remind all parents about this important meeting and information.

The school offers a flexible number of meetings for Title I parents, such as meetings in the morning and evening.

- Three meetings were offered to inform parents about Title I components and entitlements.
- These meetings were held at 8:30 AM and 4:00 PM in person and 5:30 PM virtually via Zoom.
- Meetings were held in both English and in Spanish.

Deanna Davenport Elementary involves parents of Title I students in an organized, ongoing, and timely way, for the purpose of planning, reviewing, and implementation of the school's Title I Programs such as:

- Parental and Family Engagement Policy
- Parent Compact
- Campus Needs Assessments
- CIC – Campus Improvement Plan
- RTI – Response to Intervention
- CATCH – Coordinated Approach to Child Health
- LPAC – Language Proficiency Assessment Committee

The school provides parents of Title I students with timely information about the Title I Program by:

- Providing parents with information on state standards, assessments, requirements of Title I, monitoring their child's progress, and working with educators. Information is provided at parent-teacher conferences, during grade reporting, on the campus website, and through home communications (letters, phone calls, Seesaw, Google classroom, Remind and notices).
- Deanna Davenport Elementary provides PAC meetings to help parents work with their children to improve academic achievement and social-emotional skills.

- Deanna Davenport Elementary communicates regularly with parents in clear and understandable terms. This includes opportunities for parents to participate in decision-making roles, volunteer opportunities, a district annual parent survey, creating the Parent-School Compact, and attending parent- teacher conferences. Parent-teacher meetings may be scheduled at any time, as requested. The Campus Improvement Plan is reviewed and approved by the CIC with parent representation and will submit any parents' comments on the plan when the school makes the plan available.
- Deanna Davenport Elementary will coordinate parent involvement activities in conjunction with other initiatives including, *but not limited to, adult classes for parents (Parent Universities), Preventing Violence at Home training, Flu Shot clinics, and Texas Tech – Better Living for Texans.*
- Deanna Davenport Elementary values its partnerships with all stakeholders and is proud of the many opportunities for parents to be actively involved in the school activities of their children via online and in person when possible. *This policy was developed with the support of the campus Parent Liaison and the Parent Compact/Policy Committee. Once a draft of the policy was developed, a meeting was held to revise, edit and approve the document to be distributed to parents during our next PAC meeting held at the beginning of September 2022 and given to students to take home to ensure delivery to parents. This policy document will also be uploaded onto the campus webpage by October 2022 after Parent – Teacher Conferences.*
